EXPERIENCE

Software Engineer

Ion Group

📅 October 2018 – Ongoing   📍 Noida, India

- Developing software using Java 8
- Writing integration and unit tests using Junit and Robot
- Tracking issues and version control using Jira and Git
- Working by Scrum framework

Software Engineer

Talentica Software

📅 September 2015 – October 2018   📍 Pune, India

- Developing microservices using Java 8 and Spring boot
- Design high level architecture and deployment strategy
- Designing and coding database tables to store the application's data
- Working by Scrum framework
- Tracking issues and version control using Jira and Git

Programmer Analyst

Cognizant

📅 August 2013 – September 2015   📍 Hyderabad, India

- Try new frameworks for use and write POCs
- Developing and maintaining software using Java 6 and IBM DB2
- Developing and maintaining Rules on Blaze Advisor
- Tracking issues via HP ALM

PROJECTS

Morning Star and CrunchBase data integrations

Talentica Software

📅 January 2018 – September 2018   📍 Pune, India

- Designed and developed a system to periodically import, restructure and store data for fast retrieval. The system was designed around third party restAPIs and ftp services using Java. The challenge was to synchronise concurrent processing of files for higher throughput while maintaining the chronology of the files and minimising cost.
- Techs: Java 8, Spring Boot, MySQL, AWS Batch, Amazon S3, DynamoDB and SQL Server

Evernote integration

Talentica Software

📅 May 2017 – December 2017   📍 Pune, India

- Designed and developed a web application to allow users to connect evernote accounts to client's application. In order to facilitate one-way sync of notes in one or more evernote notebooks to the client's application.
- Techs: Microservice architecture, Java, Spring Boot, Amazon SQS, MySQL, Redis and Reactjs.

SOFTSKILLS

Communication   Team Work   Agile   Scrum   Problem Solving   Active Listening
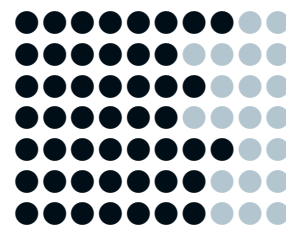

PROFESSIONAL SKILLS

- JAVA
- Data Structures
- Algorithms
- System Design
- SQL
- Cloud- AWS
- Multi-threading

STRENGTHS

- Development

Java 8   SQL   Spring Boot   Redis   Hibernate   Microservices   SQS   Amazon S3   AWS Batch   EC2   Object Oriented Analysis and Design   Docker   Junit   Microservices

- Databases

Oracle   MySQL   Amazon DynamoDB

- Development Tools

IntelliJ   SQL Developer   Eclipse   Git   Jira   MySQL Workbench

EDUCATION

B.E. in Computer Science

Birla Institute of Technology, Mesra, Ranchi, Jharkhand

📅 July 2009 – June 2013

CERTIFICATES

Oracle Certified Professional, Java SE 6 Programmer

Oracle University

📅 May 2015 – No Expiration Date
